## The President's Report

Fellow McDonough supporters,

Let me begin by thanking you for your support of our New Hampshire golf course employees. We could not have provided financial support to 92 students this past year without the generous donations of golfers from around our state.

Like many other nonprofits, 2020 provided many challenges, and I am pleased to report the McDonough Foundation was able to overcome these obstacles and continue our mission of providing undergraduate scholarships to worthy young people.

One of our challenges was having meetings with volunteers who serve on the McDonough board. Like others faced with the same challenge, we became adept at Zoom meetings and conference calls to conduct our business. We did finally manage to have one socially distanced board meeting, but I suspect it will be deep into 2021 before we meet in person again. In spite of these administrative challenges, McDonough is well positioned and poised to have another successful year in 2021.

We also had to adapt our scholarship process to meet the demands of these unprecedented times. Normally, our directors would meet with our scholar applicants at various courses throughout the state to conduct brief interviews. Instead, we had applicants meet virtually with various members of the board via Skype or Zoom, for instance, in order to interview and evaluate our scholars. The board continues to report that our scholar recipients are a bright and motivated group.

After working through our various COVID-19-related challenges, which included canceling our annual Pro-Am golf tournament, we managed to award \$117,800 in scholarships to 92 young men and women employed at 27 New Hampshire golf courses. McDonough recipients are currently attending 46 colleges and universities. With these most recent awards, the Foundation has now awarded a total of \$2,873,310 in scholarship grants since inception of the program.

We were very pleased that despite the difficulties COVID-19 presented, the McDonough Foundation assets grew to over \$1 million for the first time. The rise in the equity markets was very helpful, but most importantly, we added four new endowed scholarships, bringing our

## The President's Report *(continued)*

total endowment to over \$800,000 for the first time. We are very grateful to the families that established these scholarships, especially the Erb family, who created a memorial scholarship for Bob Erb. Bob, who passed away this year, was a long-time board member and former president of the McDonough Foundation. We will miss him greatly.

As McDonough looks forward to 2021, the foundation aims to award \$127,000 in scholarships, which would be more than \$3 million total awarded since its 1955 founding. This milestone is well within reach and gives us a worthy goal as we look to rebound from the pandemic. And by the time you read this, we will have unveiled a new website that will be cleaner, more contemporary, and capable of accepting online donations. We also plan to return with our 38<sup>th</sup> Pro-Am tournament in the fall of 2021... *stay tuned for details!*

Finally, I have decided that 2021 will be my last year as president. Back in 2008, I was recruited for the board and have chaired the Pro-Am for 12 years. I have served as secretary, managing director, and vice president, before becoming president back in late-2018. In 2020, I took on the role of interim scholarship chair and enjoyed

it very much. I plan to remain on the McDonough board, remove the "interim" title, and continue as scholarship chair for the foreseeable future, as I very much enjoy seeing the academic growth and maturation of our scholars.

The McDonough presidency will transfer into the extremely capable hands of Bill Everett of Laconia Country Club. Bill is the current vice president and chair of our Permanent Fund Committee, which manages the assets of our endowed scholarships. He has been instrumental in the creation of several new permanently endowed scholarships and will have the support of nearly 20 volunteer directors from around the state. I have every confidence that McDonough will continue to maximize your donated dollars for the benefit of New Hampshire's golf course employees.

Have a great 2021!

Glenn H. Walton
