The President's Report

McDonough Supporters and Scholars,

Thank you for your financial support of the McDonough Foundation in 2021. We could not have provided scholarships to 87 students this past year without the generous donations from golfers around New Hampshire. I am pleased to report that the McDonough Foundation was able to again overcome the obstacles associated

with Covid-19 to continue our mission of providing undergraduate scholarships to these worthy young people.

In February, we rolled out our new and improved website. Director Keith Boyle (Laconia CC) worked with web designer Philippa Middleton and Lisa Kress, McDonough's Director of Communications, to handle the transition and add new content. McDonough can now accept online donations through PayPal and we are working on other models for processing donations. Please check out the new website at www.mcdonoughgolf.com.

We continued to have a varied scholarship process in 2021, with a mix of virtual and in-person interviews to evaluate our scholars. Normally, our directors would meet with our scholar applicants at various courses throughout the state in order to conduct brief interviews. Additionally, we had applicants meet electronically with various members of the board via Skype, Zoom, etc., to complete the scholarship process. The board continues to report that our scholar recipients are a bright and motivated group.

After working through our various Covid-19-related challenges, we returned to hosting our 37th Annual Pro-Am Golf Tournament, at the Lake Winnepesaukee Golf Club in August. We had a very successful event and raised nearly \$15,000 toward scholarships. We also had a milestone year, awarding \$131,800 to 87 scholars from around New Hampshire. McDonough recipients are currently attending 38 colleges and universities. With these most recent awards, the Foundation has crossed the \$3 million threshold in scholarship grants since 1955.

Finally, this will be my last report to you as President. In December, I passed the baton to Bill Everett, of Laconia CC, who has chaired our Endowment Committee and been vice president of McDonough for the last three years. Bill has been instrumental in growing our endowment over the last several years, and I have every confidence that McDonough will continue to maximize your donated dollars for the benefit of New Hampshire's golf course employees. I'll continue to volunteer as the Scholarship Chair, as I enjoy meeting our great McDonough scholars from around New Hampshire.

Thank you for supporting our McDonough Foundation scholars,

Glenn H. Walton

President

McDonough Scholarship Foundation

McDonough Foundation Board of Directors Meeting, June 2021, Bald Peak Colony Club.

Requirements for McDonough Scholars

Any student employee of a New Hampshire golf course or club is eligible to apply for a scholarship. Candidates should demonstrate promise of academic success, as well as require financial assistance. Grants are renewable for up to four years in total, depending upon annual maintenance of academic standards, the continued need for financial aid, as well as the duration of the scholar's intended program. All candidates must be recommended by the golf club where they have been employed for a minimum of two seasons. For more information about the program, or to submit an application, visit our website at mcdonoughgolf.com. Applications and all required documentation must be received no later than May 15.

Interviews with each eligible scholar are held in June and July. Grants are announced in August.

The McDonough Foundation is an equal opportunity scholarship program and does not discriminate on the basis of sex, race, religion, or ethnic origin.

McDonough Scholar Allison Herres, UVM '25, Colebrook Country Club employee and Colebrook High School valedictorian.

Faces and Places

The McDonough scholars who receive our scholarships are THE reason the McDonough Foundation exists. They are the beneficiaries of the money we raise from golf clubs, associations, individuals, and through our other fundraising efforts year-round.

In an endeavor to engage and involve our scholars, we requested they provide pictures of themselves for us to share in our published materials. Over the summer, we received photos of them in their work environment, as well as landscape photos of the courses where they are employed. Once our scholars returned to their school environment, they sent photos of themselves in their classes, on campus, competing in their Fall Sport, or working at a job they may hold in addition to their studies.

Every photo in this year's Annual Report was either submitted by our scholars or taken by staff. Here are a few highlights of what we received.

Christopher DeYoung – Apple Hill Golf Course, University of NE, Class of 2022 – Chris' work on the Apple Hill maintenance crew begins at 4 AM, readying the course for the day of play.

Aaron Leach – Stonebridge Country Club, Champlain College, Class of 2022 – Rugby Club Finney Quad at Champlain College, Fall 2021.

Victoria Pratt – Stonebridge Country Club, University of Michigan, Class of 2022 – pediatric clinical rotation outside of Michigan Medicine C.S. Mott Children's Hospital.

Nicholas Grimalis – Portsmouth Country Club, Endicott College, Class of 2023 – Williams College Invitational, Fall 2021.

Kayla Bednarz – Nashua Country Club, Rivier University, Class of 2022 – captain of her field hockey team.

Colin Bourque – Abenaki Country Club, Keene State College, Class of 2023 – sampling hydrochloric acid in the lab.

We thank all the scholars who submitted photos for inclusion on our website and in our Annual Report! It's so important for our supporters to have a visual of the impact their contributions make in our scholars' lives.

37th Annual McDonough Pro-Am Benefit Golf Tournament

Our 37th Annual Pro-Am Benefit Golf Tournament was held on Monday, August 30, 2021, at Lake Winnepesaukee Golf Club in New Durham, NH. We were blessed with perfect weather and a top-notch golf course. Eighteen 5-player teams participated in McDonough's annual flagship event, making the day a great success and raising nearly \$15,000. All profit realized from the tournament goes directly to the McDonough General Fund to increase the annual scholarship awards amount.

We are most grateful for the generous support of our sponsors, as well as the pros and amateurs who played. It was a fun day and the funds raised certainly help to boost our annual awards.

2021 DiFonzo Memorial Scholarship Tournament

The Fourth Annual Thomas L. DiFonzo Memorial Scholarship Golf Tournament was held on Monday, September 27, 2021, at Laconia Country Club.

The DiFonzo Scholarship was established by Laconia's members in 2018 in memory of Tom DiFonzo, the club's long-time course superintendent who lost his battle with cancer that year.

Since the fund was endowed, Laconia has hosted this annual golf tournament to help grow the balance of the fund. The "DiFonzo" is awarded annually to an employee of Laconia CC who has shown financial need and a commitment to their ongoing education.

Seventy-two players participated, making for a great turnout. During the post-tournament gathering, silent auctions were held. Sam Stafford, the Laconia employee receiving the 2021-22 DiFonzo award, was introduced, and Mitchell Jean was recognized as the 2021 Tournament Honoree, for his many contributions to the McDonough Foundation and Laconia Country Club. A pen-and-ink rendering was donated by artist Roger Gagne for a live auction. Doug and Kellie Klock placed the winning bid and graciously donated this meaningful piece of art to Laconia Country Club to display, for all its members to enjoy.

The McDonough Foundation and The DiFonzo Committee wish to express sincere gratitude to Laconia Country Club's Board of Directors for their tremendous support in the annual fundraising efforts for the DiFonzo Scholarship Fund.

The DiFonzo Tournament Committee wishes to thank the following businesses and individuals for so generously supporting the event:

Frequently Asked Questions

What is the McDonough Scholarship Foundation?

The McDonough Foundation is a volunteer organization whose sole mission is to solicit monies on an annual basis for the purpose of awarding college scholarships to New Hampshire golf course employees, who are attending colleges and universities of their choice at the undergraduate level. The Foundation is a not-for-profit organization. Its Employer Identification Number is 02-6012491, and copies of its 501(c)3 and W-9 forms are available upon request.

Who is qualified to apply for a McDonough

Scholarship grant? Any student employee of a New Hampshire golf course or club may apply. This includes pro shop, grounds, wait, kitchen, and office staff. All candidates must be recommended by the golf club where they are in at least their second year of employment, must demonstrate the promise of academic success, as well as require financial assistance. Once awarded, a McDonough scholarship may be renewed for up to four years, depending upon annual maintenance of academic standards, the continued need for financial aid, and the duration of the scholar's intended degree or program. All scholarship candidates must submit an application annually, and be full-time students.

How are scholarship recipients chosen? New applicants and previous recipients are interviewed by a member of the McDonough Board of Directors on an annual basis. Candidates must maintain a minimum 2.5 GPA and continue to show financial need. Their qualifications are reviewed, and an award is made based on meeting the criteria set forth by the Board of Directors.

Does the amount donated by a given club have any bearing on the amount awarded to an employee(s)?

No. In 2021, 22 clubs and associations donated to the Foundation, with recipients representing 33 clubs.

If a scholarship recipient does not return to their employing club, are they still qualified to apply for a scholarship grant the following academic year?

Yes. Often scholarship recipients will attend summer school or take an internship in their chosen field. They are still qualified to apply for their upcoming academic year.

What are the average total annual awards? Over the past five years, total annual awards have averaged \$122,584. A total of \$3,005,110 has been awarded since the inception of the program.

What percent of annual donations actually goes toward scholarship grants? In 2021, 68% of the monies raised went toward scholarship grants. This percentage is lower than prior years (which averaged 89%) due to the uncertainties created by Covid-19 and the high percentage of funds received later in the year after the scholarships were awarded and paid out. Our historically high-payout percentage is because the McDonough Foundation is a volunteer organization with only one part-time paid administrative staff member. From time to time, expenses incurred involve the McDonough Annual Benefit Golf Tournament, and some promotional materials. The Foundation is extremely fortunate to have donated legal and accounting services and the majority of printed promotional materials.

What are the Foundation's primary sources of revenue? In 2021, the Foundation had total revenue of \$194,863, of which \$91,176 was generated through New Hampshire golf club contributions. An additional \$62,887 was received from individuals, the New Hampshire Golf Association, the Profile Senior Golfers' Association, and the New England Senior Golfers' Association, together with profits from the McDonough Annual Benefit Golf Tournament. Investment income from the McDonough Permanent Fund was \$40,800 for the year.

In 2021, the components of the total revenue of \$194,863 were as follows:

Club Donations	47%
Transfer from Permanent Fund	21%
Individual Donations	15%
Pro-Am Golf Tournament	8%
Dividends and Interest	5%
Associations and Corporations	3%
Memorial Donations	1%

What is the McDonough Permanent Fund?

The McDonough Permanent Fund, currently valued at \$1,016,125, is an endowment fund created in April 2000 to help ensure the continuation of the scholarship program for years to come. To date, 19 named scholarships have been endowed with contributions by families, individuals, and organizations in honor of an individual who was or is deeply committed to golf, and the education of New Hampshire youth. The annual earnings from these named scholarships, together with unrestricted gifts, is applied to annual scholarship awards. Cambridge Trust Wealth Management is the custodian and investment advisor for the Permanent Fund.

What is the McDonough Heritage Society?

The McDonough Heritage Society is an adjunct to the Permanent Fund, which provides an opportunity for individuals to make bequests to the Foundation as part of their estate planning. Bequests and other planned gifts are important sources of revenue to the Foundation and when received, become part of the Permanent Fund or designated as specified by the grantor.

How can I help and/or get involved? There are many ways. For example, making a financial contribution, volunteering to become the McDonough ambassador at your club, serving as a McDonough liaison within your local business community, or informing friends of the McDonough "mission." Consider becoming a member of the McDonough Board.
